"What's my style is not your style,  
and I don't see how you can define it.  
It's something that expresses who  
you are in your own way."

"Don't get into trends. Don't  
make fashion own you, but  
you decide what you are,  
what you want to express by  
the way you dress and the  
way to live."
