"What you wear is how you present yourself to the world. especially today when human contacts are so quick. Fashion is indeed language."

"Fashion is part of the daily air and it changes all the time, with all the events. We can even see the approaching of a revolution in clothes. We can see and feel everything in clothes."

1005-003

"Fashion is part of the daily stream of change, all the time, with all the women.
We care even less for the approaching of a revolution in fashion. We care we need
and everything is clothes."

Fashion is part of the daily life and it
changes with the time, with the country.
We are not the first generation and
generating it. Instead, we can see and feel
everything in clothes.
