Style is the only thing you can't buy. It's not in a shopping bag, a label or a price tag. It's something reflected from our soul to the outside world.

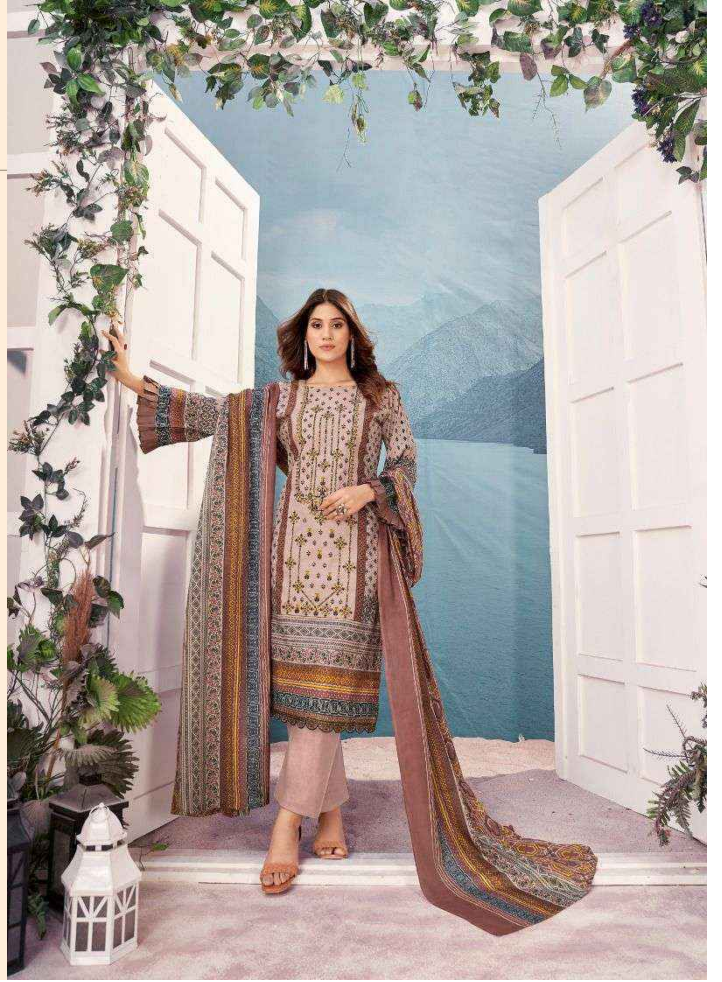

Emotion

D.NO:2409

The way I dress depends on how I feel. I never have to psych myself up. Usually, it just feels like it works.

*What's my style,
is not your style,
and I don't see
how you can
define it. It's
something that
expresses who you
are in your
own way.*

Luxury

*Girls do not
dress for boys.
They dress for
themselves, and
of course, each
other. If girls
dress for boys,
they'd just walk
around naked
at all times.*

Attitude

Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how to road map to style. It's about self expression and above all, attitude. Talking about lots of clothes.

You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not.

Religion

Fashion is a religion in our time. Once upon a time, our brand was considered the sun-don sun-don. I want to produce things that people really want to buy.

*Fashion—
is what
you're
