*Style is the only thing you can't buy. It's not in a shopping bag, a label or a price tag. It's something reflected from our soul to the outside world.*

Emotion

D.NO:2409

*The way I dress depends on how I feel. I never have to psych myself up. Usually, it just feels like it works.*

*What's my style,  
is not your style,  
and I don't see  
how you can  
define it. It's  
something that  
expresses who you  
are in your  
own way.*

## Luxury

*Girls do not  
dress for boys.  
They dress for  
themselves, and  
of course, each  
other. If girls  
dress for boys,  
they'd just walk  
around naked  
at all times.*

## Attitude

*Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how to road map to style. It's about self expression and above all, attitude. Talking about lots of clothes.*

You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not.

## Religion

*Fashion is a religion in our times. Once upon a time, our brand was considered the sun-don't-remember-off-fashion. I want to produce things that people really want to buy.*

## Fashion

*Fashion—  
is what  
you're  
offered four  
times a  
year by  
designers.  
And style  
is what  
you choose.*

fashionable

*Fashion is about dressing according to what's fashionable. Style is more about being yourself.*
